Maternity, Baby & Kids Expo Wednesday, April 2

Time: 4:00pm

Lake Cumberland Regional Hospital invites new and expecting moms to learn more about the resources throughout the region dedicated to maternity support, babies, and kids at the **Lake Cumberland Maternity, Baby & Kids Expo**. This year's expo is being held at The Center for Rural Development on Wednesday, April 2 from 4 – 6 PM; admission is free and open to the public. This year's expo will feature over 30 exhibition tables, along with giveaways, an opportunity to get to know the pediatricians and labor and delivery staff at the hospital, and educational opportunities.

Attendees that visit at least twenty of the booths will be entered to win the hospital's grand prize: a baby gift basket filled with \$150 worth of baby supplies. Other exhibitors will be raffling items such as nursing supplies, a breastfeeding pillow, gift cards, diaper bags, car seats, and various gift baskets. This year's expo will also feature an inflatable balloon house for children to play in.
