

Skill	Competency "✓" or leave blank	comments
<b>Assessment</b>		
Head to toe physical assessment		
Identification of breath sounds		
Identification of Abdominal sounds		
Neurological Status (Pupil,orientaion,cognition,sensory function, symmetry, strength, Glasgow Coma Scoring)		
Cardiac auscultation		
Pulse palpation (carotid,radial,apical,popliteal,dorsalis pedis,posterior tibialis,brachial,femoral)		
Jugular vein distention		
Periferal Edema measurement		
Capillary refill		
Pain assessment		
Assessment and staging of pressure injury		
<b>Wounds/Dressings</b>		
Wet to dry dressing		
Sterile dressing		
suture removal		
Staple removal		
Wound culture		
Wound photography		
Wound vac therapy		
Pressure dressing		
Other- please provide comments and specifics		
<b>Medication Adminsitration</b>		
Sublingual Administration		
NG/G tube adminstration		
Dobhoff medication adminsitration		
PR Medication Administration		
Vaginal administration		
Topical Adminstraiton		

SQ injection		
Lovenox injection		
TB skin test administration		
IM injection		
Z track Injection		
IV push		
I V medication infusion		
Application of Eye drops		
Application of Eye Ointment		
Adminsitration of Ear Drops		
Nasal Spray Adminstration		
MDI		
MDI with Spacer		
TPN Infusion		
PPN Infusion		
Lipids Infusion		
Insulin pen usage		
Medication via enema		
IV Fluid adminstration peripheral/CVC		
<b>Cardiovascular Misc</b>		
Measuring for graduated compression stockings (knee & thigh)		
Placement of Intermittant Pneumatic Compression Device		
Doppler use for auscultation of pulses		
Telemetry lead placement		
<b>Additional Pulmonary skills</b>		
Suction set up		
Oral suction		
NT suction		
tracheostomy suction		
obtaining sputum specimen via suction		
pulse oximetry		
nasal canual use		
simple face mask use		
venturi mask use		

nonrebreather use		
Incentive spirometry		
Tracheostomy care (cleaning and tie changes)		
Chest tube set up		
Chest tube care (function assessment, dressing, suction verify)		
Assessment for sub Q air		
<b>GI/GU</b>		
NG tube insertion		
NG tube Feeding		
NG tube Irrigation		
NG tube Removal		
Dobhoff tube insertion		
Dobhoff Feeding		
Dobhoff irrigation		
Dobhoff removal		
G Tube Feeding		
G tube Irrigation		
Colostomy mangement		
Ileostomy management		
Fleets enema		
Soap Suds Enema		
Fecal management system		
Foley Catheter Insertion		
Foley Catheter Irrigation		
Foley catheter Removal		
Urostomy Mangement		
Peri care (male and female)		
Purewick device placement and use		
<b>Drains &amp; Orthapedic</b>		
JP drain Emptying		
JP Drain removal		
Hemovac Drain emptying		
Hemovac Drain removal		
Plurex drainage device application		

Penrose drain mangement/removal		
Sling application		
immobilizer boot application		
log rolling a patient		
ice pack application		
heat pad application		
cervical collar application		
pin site care		
cold therapy unit application and care (polar ice chest, etc)		
gait belt use		
patient ambulation/transfer		
Use of/ fitting Crutches		
Range of motion		
<b>Venous/Central Venous access and care</b>		
Peripheral IV placement		
Peripferal IV assessment (site and functionality)		
Peripheral IV removal		
Identification of Midline		
Midline flush/access		
Midline blood draw		
Midline removal		
Midline dressing		
Picc line flush/access		
Picc line dressing change		
Picc line removal		
Central venous catheter flush/access		
Central venous catheter dressing change		
Central venous catheter removal		
Central Venous catheter blood draw		
Use of imprenated CVC port protector caps		
Port a cath access/flush		
Port a cath dressing change		
Port a cath deaccess		
Identification of power port		

Groshong care/flush		
<b>Infection Control</b>		
Hand washing		
Universal Precautions		
Contact precautions		
Airborne precautions		
Droplet precautions		
Neutropenic Precautions		
Donning and Doffing PPE		
Sterile glove application		
Maintaining sterile technique		
Setting up sterile field		
<b>Misc skills</b>		
Seizure management		
PRBC infusion		
FFP infusion		
Performance of blood sugar testing		
Post mortum Care		
bathing		
Oral care /denture care		
<b>Additional Items that have been competenced not listed above</b>		

<b>Student Name:</b>
<b>Insutrcutor Print Name:</b>
<b>Instructor Signature:</b>
<b>Date:</b>
<b>Name of School:</b>
