

Our role as a leading provider of healthcare and economic support for our neighbors is driven by our mission of Making Communities Healthier®. We are privileged to call this vital community home and proud to be part of a national diversified healthcare delivery network that allows us to continue to enhance how we care for those we serve.

The support of LifePoint Health and community partners like you help us to advance our mission and create places where people choose to come for healthcare, physicians want to practice and employees want to work. Thank you.

— Robert Parker, *CEO*

In 2021, we...

...added 21 employed and affiliated providers

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high quality care. This year, we added providers in general surgery, emergency medicine, neurology, cardiology, ENT, orthopedics and radiology.

...made nearly \$6 million in capital improvements

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. This year's investments included robotic-assisted knee surgery technology, new equipment for our cardiac rehab facility and EndoFLIP technology for enhanced gastrointestinal care.

...distributed a payroll of \$118,706,397 to more than 1,200 employees

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high quality care and service.

...donated more than \$16.6 million in services to those in need

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

...paid \$16,732,580 in taxes

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.

LCRH honors all those who have served our country on Veterans Day.

We are proud to be part of the Somerset community and are here for your care.
